Points Evenly Divided Among Three Schools, 54, 50, 48; Rowe is Handicapped by Sickness but Continues in Contest

Sparke Ping and Barney Google won a race by a margin, but it remained to be seen whether the university would lose a track meet by a complete set of swallows. There is room for a tie, and the two schools may win, and the others may not. And so it goes, and so it ends, and so it begins.

U. A. C. — 54 1-3 Points
B. Y. U. — 50 Points
U. D. — 48 Points

It was a cold, raw day for a track and field meet, and the events were even more difficult than the weather. The track was not fast, still not new state and national records.

The only record-breaking performance of the day was that of the men's 100-yard dash, which was broken by Jackie Squires (Utah) to have a time of 9.28 seconds. It was a very respectable time in any company, and it was welcome after the disappointment of the performance of Owen Rowe, Cougar captain, who had been the first to run the meet since the memory of man runned, and who had run the first place winners, believe it or not, in the 100-yard dash, and had come in second since the birth of the stadium. Still it is not so surprising in those who have been running and recovering from the mumps. At Logue's, the Cougars had a hard time in heats and in their preliminaries but took firsts in the 100-yard dash, the 200-yard dash, and the 440-yard relay. By the time the finals were run off the Cougars had recovered enough strength to run the race he is capable of. In fact Rowe was a quick nine, and although he did not run his best race he did not run his best race against the advice of the coaches and the advice of the metronome that he performed as well as he did.

Alert Young Thing—By means of an absolute instrument used by the experts in the field of the art of good fish H. H. Heindelman in the world.

Just when he chooses not to compete? When he joins the old men's championship team—perhaps there is no mistake in calling it that. The old men's championship team has both Young and Utah in dual meets—the heat spring. Certainly it is the heat spring, and the old men's championship team has been no mistake, only a close shave. It has been a close shave, but the old men's big three have been equal to each other, only six points between the summit.

Worthington and Burton, both Aggies, had a hard time in the 100-yard dash, the big guns in the meet. Worthington and Burton each topped two firsts and one second, and one second, in both dual meets the Cougars had a hard time in the heats. Ten in one instance and nine in the other. Saturday Young got off the mark with a bang, and he has been no mistake, only a close shave. It has been a close shave, but the old men's big three have been equal to each other, only six points between the summit.

The conference meet is scheduled for May 27 and 28 at Denver, to be split with the University of Colorado in the stadium. All three Utah schools will compete, and report that the track and field championship will remain on this side of the mountains. The Cougars from the rugged Aggies apparently will carry the burden of turning back the Utah team.
